

Ride Organisers Information Kit

We have pleasure in providing the enclosed information as part of your affiliation to the Australian Endurance Riders Association state body.

This information is designed to assist you in your risk management obligations when running a ride as well as broaden your general awareness of potential risks and the insurance coverage provided under the AERA Insurance Program.

At all times rides must be conducted in accordance with the AERA rules, regulations and risk management procedures. Anyone acting outside these guidelines may prejudice their entitlement to cover under the insurance program.

Information pertaining to additional insurances available to clubs, ride organisers and members has also been enclosed for your reference.
