Dear Lissy

On behalf of the State Management Committee of the Victorian Endurance Riders Association Inc. I'd like to extend our congratulations to you and your Committee for the outstanding success of the Tonimbuk Quilty. The SMC is very proud to have been associated with your Committee and the event and to have been able to provide support during the lead up to the Quilty.

Your Committee have run an event that has generated a number of positive outcomes for the local community, the Cardinia Shire and to endurance riding in Victoria. The feedback from the competitors and visitors to the event was nothing short of amazing.

I'm sure all the members of VERA and the SMC would like to thank the Quilty Committee for its commitment to sticking to the job over the long haul that it has been and we wish you all a much quieter and less stressful life now that the event has finished.

Congratulations and a job well done!

Regards

*Linda Tanian*
