

Profile – Kim Moir

I have never ridden a horse but have held many and am getting quite good at this.

Ken (husband) has been on horses since he was a toddler and took up endurance in 2002, with one horse. I managed to avoid going to any endurance event until around 2006 when we moved to the Gympie area, where we have recently been able to downsize to 17 horses.

I am cursed with not being able to stay still or quiet for too long so when I attended my first endurance event in 2006, and there seemed to be a long time when nothing was happening, I wandered over to the admin area and asked if I could do anything to help. I no longer have to worry about sitting still!

I am currently the AERA Secretary and as a QERA Management Committee member, I have responsibility for the QERA Calendar and Facebook Moderator. I am President of the Stirling's Crossing Endurance Club, Treasurer of the Widgee Endurance and Trail Riding Club, and have been Secretary or Treasurer of the Far A Way club for about 10 years, until 2018.

Big year for me was 2019 when Stirling's hosted TQ19 – I think it was about a month later that I stopped waking up in the middle of the night thinking I had forgotten to do something.

My life and home seem to be consumed by horses and things to do with them! Even on holiday we find horses.
