

## Australian Endurance Riders Association

### Nomination Form – AERA Hall of Fame

#### Nomination of Rider to AERA Hall of Fame

The AERA Hall of Fame acknowledges significant achievements of Australian riders in endurance events in Australia or overseas.

The criteria for a rider to be inducted into the AERA Hall of Fame are:

1. 15 Quilty buckles, or
2. 20000kms in endurance, or
3. Individual or team Gold Medallist at WEG or WEC, or
4. 15 of any one Marathon of 320 km or above.

#### Administrative Process

1. Nomination for entry to the AERA Hall of Fame comes from a Division Association and may be requested by the rider or a connection to the rider.
2. The Nomination Form is received by the AERA Secretary and forwarded to the AERA Registrar who will validate that the criteria are supported by information in the AERA Database as relevant.
3. A statement from the DA will support this nomination by identifying which of the criteria are met, provide a profile of the rider, provide information about events, if relevant, and at least one photograph.
4. If any discrepancies are noted these will be resolved between the rider and the AERA National Registrar as appropriate.
5. Once validation of the Application Form has been completed the AERA Management Committee will consider the nomination and, if accepted, will acknowledge induction of the person into the AERA Hall of Fame on the AERA Website and in the AERA Facebook group. All inductees will be mentioned at the next Tom Quilty Gold Cup as part of the AERA Awards.

Return address for applications and supporting documents is by email to [secretary@aera.asn.au](mailto:secretary@aera.asn.au)
